

Ten Forward

Official Publication of the USS Renegade NCC-2547

From the CO Vice Admiral John Hoppa

Crew,

With 3 more conventions left in 2023, I'm looking forward to a great 2023. We are doing great with our charity fund. At the Salem Super-hero Saturday Convention we raised \$118. We have reached our goal of \$1000 and looking for more.

John Wesley Shipp signed a "Flash" mug that we can sell for charity at the next

show. He is always a awesome guest to have come in.

The next show will be at Toyhio on Saturday, October 15th. Those working the show be there at 9am that day. We will be there till 4pm

After that in November, we have the Akron Comic con and the Super Toy event in November.

Now is the time of year to start thinking of the USS Renegade Anniversary Dinner. I have a place in mind but I will bring it to the meeting. So if anyone has any Ideas, please bring them up at the next meeting.

At the last meeting

we gave out a few promotions. Congratulation to Lisa Ecknerode or her promotion to Captain, Vicki Gore to Lt. Commander, and Peri Fisher was promoted to Lt. J/G for her appointment of bring Chief of Communications. Congratulation to all.

Remember to that the election for Starfleet CS is wrapping up next month. I will pass along some more information at the next meeting and show everyone how to cast their vote at the next meeting.

I hope to see everyone at the next meeting

RAdm. Janice Graham-First Officer's Log: Ever have one of those days when you try to write something, and it all comes out...weird. Or it just isn't what you want to say. It's off just that much so you try again and it's still not right. Okay, you think, I'll try something else, and delete what you wrote to start over. A couple of paragraphs later, you read it over and scratch your head and think, nope. That's not it, either. It's so "not it" that you almost yawn. Well, that's just great. If this keeps up, you're going to bore yourself.

Possible topics:

Guy on the weather forecast said I might want to think about turning on my furnace. Ha! It's been on since mid-September. What planet is HE on?

The theme for the Senior Follies 2023 is "Young At Heart." We just heard this, should be a good one. Did you know there are over 500 songs with "heart" in the title or lyrics?

It's October...wait, wasn't it just April?

My November craft show is finally back. It was cancelled for the past two years. It will be good to get back out.

I want to get ALL of the wool in my garage processed before the weather gets too cold to be outside. I can do some of it in the house, but I can't sort it inside. It's too dirty/nasty/smelly for that...

Okay, I give up. I'm going to work on my shawl.

Janice

Cmdr. Lisa Eckenrode- Congratulations to all those who received awards from Summit and CMO Vicki Gore, who was promoted to Lieutenant Commander. It was also great to see Dan and Jimmy McClure-Neff back, making the Psych and Med Departments complete for the first time in quite awhile. It was great to hear that Dan is cancer free!

Captain Lisa Marie Eckenrode
Ship's Counselor, Chief Medical Advisor

Ens. Sandra Stocks- Hello to the crew from Sandra Stocks, up in British Columbia, Canada. Congratulations to all who received promotions recently. Well done! In August my husband and I caught Covid. We were both quite sick but able to fight it off without needing the hospital. We were very glad that we had received three vaccines. I would not have wanted to meet this virus without some protection.

Queen Elizabeth has passed away and we were given a holiday so that Canadians could watch the funeral on TV or participate in local. Now we have to get used to King Charles. October brings Canadian Thanksgiving Oct 10 and my birthday on the 13th. I am also planning a trip to Calgary Alberta to visit my daughter and granddaughter.
